Below are some helpful tips to make your stay more worthwhile. If there are any questions or concerns, please contact us at tcadmin@orlandofreightliner.com.

When directing your maps to find our facility from either the OIA or the Sanford airport, please enter **2565 Pemberton Dr. Apopka, FL 32703** into your maps application of choice (we recommend using Google Maps). See you soon and travel safely!

WHAT TO DO:

If you're staying for the full week (and I would too if I was staying at The Hilton Garden Inn), you have to hit up some of the best things to do in the Apopka area. As an Orlando local for the last 24 years, I know this city pretty well - almost like the back of my hand - so I've included some Orlando staples as well. But if you're just staying local, you have to go to Wekiva Springs or King's Landing in Apopka. Rent an inner-tube, kayak or a paddle-board for just \$25.00 until 5:00 p.m. and experience a true outdoor nature experience like no other. Choose a hot, sunny day (and there will be plenty) and float on! It's one of my favorite summer or fall activities and I love to suggest it to those traveling down to Florida. Not to mention, Wekiva Springs has a bar that you can directly kayak to! Not into the springs? No problem. Consider other options in Apopka like visiting the Hutchinson Farm Winery or renting a bike and heading over to the West Orange Bike Trail. Or - you can just drive 30 minutes west and experience some of those great Orlando staples I have listed below! Have fun and let us know which attraction was your favorite!

WEKIVA SPRINGS

Other Orlando attractions include things like:

- Visiting innovatory theme parks like Universal's Islands of Adventure, Seaworld, Epcot or Disney's Magic Kingdom
- Becoming a tourist at ICON Park and flying around the City Beautiful in the Orlando Starflyer
- For a true Florida experience that won't break the bank, head to Gatorland for a taste of Florida wildlife!
- Co-karting at Andretti Indoor Karting & Games
- Hitting some balls at Topgolf with delicious food, good drinks and great company from your training class (Located on IDrive and in Lake Mary - Lake Mary would be your closest location from our facility)
- Touring the launch pad at the Kennedy Space Center Visitor Complex in Titusville, Florida
- Experiencing the best shopping the south-east has to offer at The Mall at Millenia
- Heading to New Smyrna Beach for the day and grabbing a drink at Chase's on the Beach

WHAT TO DO:

For some great food after hours, you have to check out some of Apopka's local staples. Some of our favorite restaurants in the area include Caffè Positano for authentic Italian food, Grills Lakeside Orlando for seafood, Hurricane Grill & Wings for burgers and wings, Garibaldi's for authentic Mexican cuisine, and Tibby's New Orleans's Kitchen for soul food! To read up more on these great options, head to our website at tandemtruck.com!

Other notable restaurants that deserve praise as well from past trainee's from out of state include Twin Peaks on International Drive - located in Orlando's tourist district!
